**Re: WC Docket 10-90, Connect America Fund**

Dear Ms. Dortch,

AT&T hereby provides updated feedback in response to the Public Notice (DA 17-561) released on June 8, 2017. This submission replaces in its entirety our filing of July 7, 2017. AT&T hereby 1) confirms that all the CBs originally included on the USTelecom list are not in an AT&T study area; and 2) attaches an Excel file listing CBs originally included in AT&T's Phase II offer that we have identified as not in an AT&T study area. In addition to this filing, and as instructed in the Public Notice, AT&T is submitting directly to USAC a revised list of Extremely High-Cost census blocks we intend to use to meet our CAF II obligations.

If you have any questions regarding this filing please feel free to contact me at 202-457-2041.

Sincerely,

*/s/ Mary L. Henze*
