Re: RM-11738

Dear Ms. Dortch:

On July 26, 2016, Mark Crosby, President & CEO of the Enterprise Wireless Alliance (“EWA”), Morgan O’Brien, Vice Chairman of pdvWireless, Inc. (“PDV”), Robert Burkhardt of PDV, Arif Ansari of Advanced Mobile Technologies, Inc., Paul Margie of Harris, Wiltshire & Grannis LLP, and the undersigned met with Julie Knapp, Ira Keltz, Jamison Prime, Martin Doczkat, Hung Le, and Irene Stevens, all of the Office of Engineering and Technology. EWA and PDV described the history and current utilization of the Part 90 900 MHz band, as well as the substantial additional utility and efficiency that would be produced by adopting the joint EWA/PDV Petition for Rulemaking (“Petition”). They noted the importance of investigating the optimal use of all spectrum, and urged the FCC to move forward as promptly as possible.

This letter is being filed electronically, in accordance with Section 1.1206(b) of the Commission’s Rules, 47 C.F.R. § 1.1206(b), for inclusion in the record in this proceeding.

Sincerely,

  
Elizabeth R. Sachs
