Dear Ms. Dortch:

On July 25, 2019, Elizabeth Andrión of Charter Communications, David Don of Comcast Corporation, Danielle Piñeres of NCTA – The Internet & Television Association, Austin Bonner of Harris, Wiltshire & Grannis LLP, and I met with Aaron Goldberger, legal advisor to Chairman Ajit Pai. In the meeting, we discussed our recommendation that the Commission move forward with a “fresh look” NPRM for the 5.9 GHz band consistent with our comments in the record.<sup>1</sup>

Pursuant to the FCC's rules, I have filed a copy of this notice electronically in the above-referenced docket. If you require any additional information, please contact the undersigned.

Sincerely,

Paul Margie  
Counsel to NCTA
