Re: Amendment to the FCC Form 690 Report of T-Mobile Northeast LLC (Study Area Code 178010), WC Docket No. 10-208

Dear Ms. Dortch:

On behalf of T-Mobile USA, Inc. and its wholly-owned subsidiary T-Mobile Northeast LLC ("T-Mobile"), enclosed please find a redacted amendment to T-Mobile's 2016 FCC Form 690 Report (the "Report") that was previously filed in connection with the company's participation in Mobility Fund Phase I for the above-referenced Study Area Code. Through an inadvertent administrative error, the Report did not include the correct coverage and performance information for Line 141. The enclosed amendment includes the information T-Mobile intended to file in its Report, which reflects the company's coverage of Study Area Code as of June 25, 2016. A non-redacted, confidential version of the amendment is being submitted to your office via hand delivery.

If you have any questions regarding this amendment, please contact the undersigned.

Very truly yours,

Jennifer L. Kostyu
Counsel to T-Mobile USA, Inc.

Enclosure
