**Petition for review of
FCC Form 471 Funding Decision for Funding Year 2016
RE: FCC Form 471 161014520**

I. INTRODUCTION AND SUMMARY

The Mendon Upton Regional School District (“MURSD”) serves pre-kindergarten through Grade 12 children spanning two towns in Massachusetts. Since the 1990’s, the Mendon Upton Regional School District has been a very small but successful participant of the E-Rate program. The Mendon Upton Regional School District submitted and certified their Funding Year 2016 FCC Form 471, 161014520, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, on March 22, 2016.

SLD informed the MURSD on July 14, 2018 that after further review, the Form 471 in question did not meet the criteria for approval and adjusted to \$0.00. The MURSD reviewed the Form

470 and Form 471 and found them to be adequate for funding. The MURSD Informed the SLD reviewer that the FRN in question was valid, and therefore eligible. The matter was presumed resolved until another letter received July 22, 2019 noting that the appeal was filed after the 60-day window defined by the FCC regulations.

II. Request

The Mendon Upton Regional School District respectfully requests a waiver of the 60-day appeal window for the original appeal to allow SLD to accept the appeal we previously requested.

Respectfully submitted,
