To whom it may concern:

I am writing to request a waiver.

E-rate Program: CC Docket No. 02-6.

Upon trying to file my Form 471 today I realized I had missed the filing window. This was an honest mistake on my part. I have filed within the window every previous year. Our BEN# is 153825.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Rhodes".
