RE: CC Docket No. 02-6 Waiver Request

To whom it may concern:

Name:	Eric Chambers
Address:	PO Box 31337 Bellingham, WA 98228
Telephone Number:	360-899-8704
Appellant Name:	Kennewick School District
Applicant Name:	Kennewick School District
Service Provider Name:	Frontier Communications Northwest
Applicant BEN:	145523
Service Provide SPIN:	143004786
FCC Form 471 #:	161053155
FRNs:	169912247 and 1699124042

This is a request for a waiver to extend the invoice deadline for the above referenced FRNs. The District believed that the Service Provider was completing a SPI form but after a routine audit discovered that they had paid the invoices in full. This was discovered after the deadline to file a BEAR had expired. The District respectfully requests that a waiver be granted and the deadline to submit a BEAR form is extended.

Combined, these FRNs total over \$300,000 and it would be a hardship for this District if they would be unable to recover these funds. We acknowledge we made an error but ask for a one-time waiver of the timeline, so the District can received these approved funds.

Thank you.
