Attn: Richard L. Sippel,
Administrative Law Judge

Request for permission to file Petition for Review in excess of the length prescribed
by the provisions of 47 CFR, Chapter I [47 CFR Sec. 1.48(b)]

I am the licensee herein. I have filed a timely Notice of Appeal herein, and will be filing a Petition for Review by the Commission of the ALJ's dismissal of my renewal application without a hearing.

Title 47 of the CFR, Sec. 1.115(f) provides, in pertinent part, that applications for review shall not exceed 25 double-space typewritten pages in length. However, 47 CFR Sec. 1.48(b) says that I may request permission to file pleadings in excess of the length prescribed by the provisions Chapter I of the Rules.

My Petition for Review involves approximately 16 important issues of Constitutional, statutory and regulatory interpretation applicable to the amateur radio service, which have never before been decided by the Commission or by the courts. It will therefore be impossible for me to adequately discuss all of said issues in 25 pages, and I therefore request permission under Rule 1.48(b) to file a

Petition for Review of 35 pages in length.

I declare under penalty of perjury that the foregoing is true and correct, and that this Request was executed on July 30, 2018 at Diamond Springs, California.

Respectfully submitted,

William F. Crowell, Licensee
