##### Narrative \*

SPIN change #125575 was filed to change the SPIN for FRN 1799030050 from 143036269 to 143033075. I received the IRCDL and on the bottom of page 5 states "Your SPIN change is approved. The service provider has been changed to 143033075". When I go to USAC's commitments page the SPIN is 143036269. Please correct USAC's error.

Please explain the reason for your appeal. If you are appealing multiple decisions by the Administrator (USAC), list all of the decisions you are appealing for (FRNs). You may upload supporting documentation to help further explain your appeal. Please remember that waivers of an official 5-rate rule can only be sought at the Federal Communications Commission (FCC), not USAC. (This would include such appeals as seeking a waiver of the rule that an invoice extension be filed before the last date to invoice and appeals seeking a waiver of the FCC Form 471 deadline). Conversely, the FCC will not accept appeals of USAC decisions that have not first been appealed to USAC (such as late FCC Form 486s where there is no FCC rule governing the deadline). See 47 C.F.R. § 54.719.
