FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

To: The Commission

MOTION FOR LEAVE TO SUBMIT LATE-FILED COMMENTS

The American Radio Relay League, Incorporated (the League), the national association of amateur radio operators in the United States, hereby respectfully requests that the Commission accept for filing, and associate with the Docket files in the captioned rule making proceeding, the contemporaneously filed Comments of the American Radio Relay League, Incorporated. As good cause therefor, the League states as follows:

1. The League's Comments are filed but one day late. Though it was initially anticipated that the League would be able to submit timely comments in this proceeding, League officers were involved in meetings on the subject of the proceeding late in the afternoon of the due date (October 26, 1992), and the results of those meetings affected the position adopted by the League in response to the Notice of Proposed Rule Making.

2. As a result, it was not possible to file these comments before the close of business at the Commission yesterday. Therefore, the League's Comments are being tendered but one day late. No other party will be adversely affected by the submission

of these Comments at the present time, and the resolution of the proceeding will not be delayed.

Therefore, the foregoing considered, the American Radio Relay League, Incorporated respectfully requests that the contemporaneously tendered comments be accepted and associated for consideration with other comments in the docket file.

Respectfully submitted,

LEAGUE, INCORPORATED**
