**RE: Protecting and Promoting the Open Internet, GN Docket No. 14-28; Connect America Fund, WC Docket No. 10-90, Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92**

Dear Mr. DelNero:

Pursuant to the Federal Communication Commission's *Open Internet Order*<sup>1</sup>, The North-Eastern Pennsylvania Telephone Company ("NEP") hereby notifies the Bureau of its intention to cease offering its broadband Internet transmission service as a separate component of its broadband Internet access service effective October 1, 2017. As such, the transmission component will only be provided on a private carriage basis as an input to the provision of mass market broadband Internet access service.

The FCC made clear in the *Rate-of-Return Connect American Fund Order*<sup>2</sup> as well as the *Clarification Order*<sup>3</sup> that a rate-of-return carrier could make the offering described above, and thus the revenues associated with the broadband Internet access transmission would no longer be subject to the federal universal service fund assessment pursuant to FCC Form 499-A.

This notice is effective sixty (60) days from the date of this letter, October 1, 2017, unless withdrawn or extended prior to that time.

As per the attached Certificate of Service, NEP provided a copy of this notice to the Special Assistant for Telecommunications of the Department of Defense, the Governor of Pennsylvania, and the Pennsylvania Public Utility Commission.

Please contact me if you have any questions.

Sincerely,

Richard P. Swiderski  
Vice President / General Manager
