Hi Pratap,

In order for one of your customers, Education for Change to receive their 2015 E-Rate funding, it is necessary for Kinetix to have a current E-Rate Form 473 on file. This is a simple annual certification form, but USAC won't release funds unless it is on file.

THE DEADLINE FOR SUBMITTING THIS FORM IS TUESDAY, MAY 30!

Please contact USAC at 888 203-8100 or visit their website at [www.usac.org/sl](http://www.usac.org/sl) for instructions on completing the form. Again, the certification needs to be for 2015.

Thank you,  
Mary Jo
