Re: *Ex Parte* Notice: *Terrestrial Use of the 2473-2495 MHz Band for Low-Power Mobile Broadband Networks* – IB Docket No. 13-213

Dear Ms. Dortch:

On behalf of Globalstar, Inc. (“Globalstar”), Sean A. Lev of Kellogg, Huber, Hansen, Todd & Evans, P.L.L.C., and I spoke by telephone with William Richardson, Deputy Associate General Counsel in the Office of General Counsel, on August 3, 2016. We emphasized the importance of finalizing the rules in this proceeding promptly. We also inquired as to whether there were legal or procedural issues as to which the Office of General Counsel would like input at this stage and, in particular, whether it would be helpful to provide legal or factual support as to compliance with Administrative Procedure Act requirements in this proceedings.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this *ex parte* notification is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Respectfully submitted,

/s/ Regina M. Keeney  
Regina M. Keeney

cc: William Richardson
