Re: Meeting Summary per Section 1.1208 of the FCC's Rules
Schools and Libraries Universal Service Support Mechanism, Docket No. 02-6

Dear Ms. Dortch:

On behalf of Sherman Independent School District (Sherman ISD), this summary memorializes a conference call between a representative of Sherman ISD and Commission staff. On August 2, 2019, the undersigned spoke with Gabriela Gross and Adrian Wright, of the Telecommunications Division of the Wireline Competition Bureau, regarding a Request for Review and/or Waiver filed by Sherman ISD.¹

We discussed the facts and arguments identified in Sherman ISD's appeal and that Sherman ISD's request was consistent with Commission precedent and was in the public interest. Sherman ISD asked that the waiver be granted in a monthly public notice as soon as possible.

Pursuant to Section 1.1208 of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket and courtesy copies are being sent to the attendees. Please direct any questions regarding this filing to the undersigned.

Respectfully submitted,

A handwritten signature in black ink that reads "Gina Spade".
