Re: Amendment of Part 74 of the Commission's Rules Regarding FM Translator Interference, MB Docket No. 18-119

Dear Ms. Dortch:

Please accept the attached late-filed Comments of the National Association of Broadcasters (NAB) in the above-captioned docket. Due to an inadvertent error, these comments were not filed on or before August 6, 2018, the deadline for initial comments. We do not believe that any party will be prejudiced by acceptance of these comments because the proceeding remains open for *ex parte* presentations and reply comments are not due until September 5, 2018. NAB therefore respectfully requests leave for the Commission to accept these late-filed comments and include them in the docketed record for this proceeding.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Larry Walke", is positioned below the "Respectfully submitted," text.
