Re: Request to waive the deadline extension request

Funding Year: 2015

FCC Form 471 Application Numbers: 996376

Funding Request Number: 2832554

Billed Entity Number: 120371
Applicant Name: Billerica Public Schools
365 Boston Road
Billerica, MA 01821

In accordance with Sections 54.719 through 54.721 of the Commission's Rules, Community School District 205, through its consultant E-RATE ONLINE, requests an FCC Waiver of the FY2015 invoicing window deadline.

A one-time invoice deadline extension request was appropriately faxed on October 21, 2016 on behalf of Billerica Public Schools, seven days prior to the funding year 2015 invoicing deadline. See attached supporting documentation "Deadline Extension Request". In this request, a ministerial and clerical (M&C) error occurred by the typist when requesting an extension for committed Conversent Communications Inc. FRN 2832554. Instead, 2832254 was entered. FRN 2832554 was not granted the one-time 120 day extension due to this error.

An appeal was submitted via email. See attached supporting documentation "Appeal and Email Confirm". An administrator's decision came back as being "Dismissed". See attached supporting documentation "Appeal Decision and Acknowledgement".

This waiver request is to relinquish the "dismissed" appeal decision, as the appeal explanation does not resonate with the original request made. The explanation states that "your decision letter has not yet been issued, your appeal is premature and is being dismissed". A decision letter for FRN 2832554 was issued as "funded" on September 4, 2015. The issue lies with the M&C error made on the deadline extension request.

This original invoice deadline extension request was made in good faith. No waste, fraud or abuse has occurred. We request this issue be reviewed further.

We look forward to your ruling.
