Brief description of complaint:

Missouri MUST join the lawsuit(s) against the FCC before consumers are left to the tender mercies of internet provider giants. NOTHING good will come of removing these protections. The internet flourished because tiny start ups had equal footing with huge established players. With these changes, that will no longer be the case. Corporations will have all the power they need to snuff out competition.

- Consumer has taken these action(s): - Sent Email to business - Sent letter to business - Filed a complaint with another agency
- Consumer has contacted agencies: - Federal Trade Commission - Consumer Financial Protection Bureau
- Consumer would like complaint resolved via: - Investigate business - Other: Join the gathering lawsuit storm now gathering among several states.
