**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docker No. 18-141; Category 1**

Dear FCC, My name is Dave Soulsby and Im the owner and CEO of Central Graphics, a small business design company headquartered in Cuyahoga Falls, Ohio. We are a customer of First Communications, a local competitive telecommunications company. First Communications provides us a product and level of service we cant get from ATT or Spectrum. I understand ATT and Verizon are trying to raise rates on small business customers like us. If you could please deny ATTs request as like many small businesses we need competitive alternatives to ATT
