FRN 1699135541: Voice - POTS

Lenoir County Public Schools (LCPS) a small, poor, rural school district in North Carolina (90% E-rate discount), respectfully requests a waiver of the 2016-17 Form 471 application and Item 21 deadline.

I neglected to submit this FRN request for Category 1 support by the deadline of Thursday, May 26, 2016 due to the complications of filing the LCPS Category 2 application which I submitted on May 25, 2016 and having to make multiple doctor visits with my 83 year old mother, whom is now living in an assisted living facility.

In reviewing LCPS's applications after the window closed, I realized that I had not submitted this Category 1 request by the deadline, I then submitted in the new EPC portal, within the 14-day grace period.

Thank you so very much for your support in granting this request for waiver of the filing deadline of May 26, 2016.

Respectfully submitted this 9th day of August, 2016.
