**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docker No. 18-141; Category 1**

Dear FCC,

You're doing a great job, especially overturning FDR-era regulations which thwart broadband investment. Title II and its open access requirements, among others, are in-appt for building today's networks - they lead to free-riders who will never grow facilities-based infrastructure.

Keep up the good work. Restore Internet freedom!

Thanks,

Mike Wendy
