**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docker No. 18-141; Category 1**

Dear FCC,

I've lived in places with only one or two options for internet service (both crappy because why should they care). I can't express how glad I was to return to an area with multiple high quality locally owned ISPs. Don't weaken the rules that make that possible.
