**Description of Planned Network Change(s):**

Horry Telephone Cooperative (HTC) intends to retire copper facilities in the locations listed in Exhibit A due to a South Carolina Department of Transportation project in Horry County to widen Glenns Bay Road. HTC has overbuilt copper facilities with fiber-to-the-home facilities in the Exhibit A locations, and all existing customers in those locations have been converted to fiber facilities. The affected copper facilities are not being used to provision services to any customers.

**Description of reasonably foreseeable impact(s) of the planned change(s):**

After the retirement of copper facilities, copper facilities will no longer be available to serve customers at Exhibit A locations and will not be maintained.
