**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local broadband options, internet service options, and phone services options are critical to American communities. Our country is founded on principles of innovation, and freedom of choice. Don't stifle our liberty by allowing large companies to drown out our local options with sub -par performance and standards. Support local companies!
