**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC staff member. I run a small business here on California's Mendocino Coast and I need broadband competition. I oppose monopoly and the price hikes that always follow. I also use a competitive phone service that comes through my internet. Since I live in a rural area I use our local broadband provider and highly value it. Please keep broadband providers competitive.

Thank you for considering my input.
