**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our only choice for telephone service is over copper wire. We DO NOT have cell service available in Comptche, Ca. 95427. Our internet, comes in over copper as well and the speed is restricted by AT&T. Please do not allow the abandonment of copper lines. We are totally dependent on them for communication services and please do not allow the restriction of speed that AT&T enforces on our secondary seller.

Thank you

Mark Zarlin
