**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local ISP - Sonic. I am a home consumer and a small business owner who relies on my local provider to give me the fast response times and assistance I need to run my business effectively.

I don't live in a "big" city -- and I live on the outskirts of a small one. I waited several years for a fiber connection, relying only on DSL. If it weren't for providers like Sonic, I would still have DSL today.

Bigger ISN'T always better - support the small providers and give us choices other than ATT and Comcast. Please support BRIDGE 2 BROADBAND!

Thank you -- A VOTER (every election since 1976!)
