**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband providers are essential to this country. They can provide services at a lower cost to the community as well as be competition for the giant providers.  
Having a small business, every cost conscious decision I make helps to keep me in business.  
Please do not let another monopoly happen!
