**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who has had difficulty over the years with obtaining broadband services in non-competitive markets. A single provider has no incentive to innovate or expand services in those markets. Now, I am in a rural community and its even harder. Competition bring innovation, choice and JOBS. I support Broadband competition. Please do not implement anti-competitive legislation.
