**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

If there was no competition, I would have still been stuck with AT&T with awful service, dismal customer service and worse rates. Thanks to the fact that we have competition, I am a Sonic.net customer - great fiber service, great customer service at an incredible rate! I have moved from DSL to fiber thanks to Sonic! If it were up to big monopolies, I would still be paying an arm and the leg for a crawling DSL (As is the case in a number of communities across our country). Allowing consolidation of mega companies will kill the competition! Please remember - you are supposed to serve us - the people - not the moneyed interests!!!
