**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A rodent chewed through our line outside and AT&T refused admit that there was a problem with the outside line. Luckily for us, we had Sonic. They came out and confirmed what I saw and had AT&T replace the line. Every since then there is a special place for Sonic in my heart. We truly need broadband competition. Please listen to Sonic.
