**Re: Notice of Ex Parte Presentation, Procedures for Commission Review of State Opt-Out Requests from the FirstNet Radio Access Network, PS Docket No. 16-269**

Dear Ms. Dortch:

On Friday, August 11, 2017, Trey Hanbury and Tom Peters, Counsel to Southern Communications Services, Inc. d/b/a Southern Linc (Southern Linc) spoke by phone with David Furth, Roberto Mussenden, Erika Olsen and Rasoul Safavian of the Federal Communications Commission's Public Safety and Homeland Security Bureau to discuss the agency's Report and Order regarding review of requests to opt-out from the First Responder Network Authority's (FirstNet's) plan for the nationwide public safety broadband network in a state.<sup>1</sup> Southern Linc discussed the arguments raised in Southern Linc's comments on FirstNet's interoperability matrix and its response to AT&T's and FirstNet's *ex partes* on the Commission's review of state opt-out plans.<sup>2</sup>

Please contact me with any questions about this submission.

Respectfully submitted,
