Dear, Ajit Pai, Mignon Clyburn
and Mike O'Rielly

Net neutrality is nonnegotiable. It is essential to everything we need in our society and democracy. From educational, and economic opportunities to political organizing and dissent. Millions of people fought over a decade to secure long lasting Net Neutrality protections. We do not accept any less. We urge you to reject any attacks on Net Neutrality.

I strongly support Net Neutrality backed by Title II protection.
