Re: Petition of USTelecom for Forbearance Pursuant to 47 U.S.C. § 160(c) to Accelerate  
Investment in Broadband and Next-Generation Networks, WC Docket No. 18-141

Dear Ms. Dortch,

I am writing to you on behalf of Lambourne & Chang, CPA. My firm is local CPA firm in financial district in San Francisco, California. I am a Sonic customer, and I urge you not to grant USTelecom's petition.

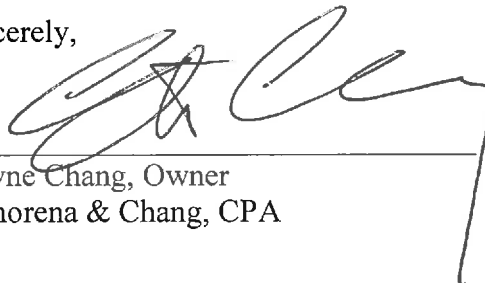

I subscriber to sonic for my my business to access the internet and work with my staff. For broadband/data services, please include the speed level and whether the service is symmetric.

I choose Sonic is because of both higher speed with Sonic and monthly fee is substantially lower and better customer services. If is not Sonic, our choice is very slim and AT&T is monopolized the market and force many businesses to pay premium for their services.

If Sonic is not available, my business cost will go up and in turn I would have to charge my client more!

Please do not end the ability of providers like Sonic to offer an alternative to the incumbent providers.

Sincerely,

Stevne Chang, Owner  
Lamorena & Chang, CPA
