Re: Petition of USTelecom for Forbearance Pursuant to 47 U.S.C. §  
160(c) to Accelerate Investment in Broadband and Next-Generation  
Networks, WC Docket No. 18-141

Dear Ms. Dortch,

I am writing to you on behalf of Sonic. I am Broker/Owner of Greystone Real Estate in Fairfield, California. We are a Sonic customer, and we urge you not to grant USTelecom's petition.

Greystone Real Estate utilizes Sonic for all high speed internet services at our office. When doing research to determine the best service provide Sonic was hands down the winner. Comcast and AT&T could not compete with the price and speed Sonic was able to offer to me. The setup and customer service has been seamless.

If I were no longer able to purchase wifi services through Sonic my costs for Internet service would triple. The cost impact on my business would be tremendous.

Please do not end the ability of providers like Sonic to offer an alternative to the incumbent providers.

Sincerely,

Deanna Deckard
