Dear Madam or Sir:

I am appealing the attached USAC decision labeled "Revised Funding Commitment Decision Letter".

Our consortium had 2 entities Camanche, and Northeast leave after our 471 have been filed. I was informed to submit an appeal to USAC from our Iowa E-rate Coordinator, Pamela Pfitzenmaier-Jacobs who contacted USAC on my behalf. Response is below.

"USAC says you must file an appeal with USAC since the removal of the two districts may require a recalculation of the discount. Be sure to include in the appeal to USAC the names and billed entity numbers of the districts leaving as well as the FRNs and form 471 numbers. Info on the appeal process may be found at <https://www.usac.org/about/about/program-integrity/appeals.aspx>.

USAC also advises you to go ahead and file form 486 since the appeal may take some time to get processed."

I never received any correspondence from USAC prior to receiving their decision and our cost for the 3 FRN's would remain the same no matter the number of entities since these were bids. I am requesting that USAC review my appeal and recalculate the % based on the removal of the two districts enrollment and free and reduce count and not reduce the Total Pre-discount charges.

Thank you,

Joe Coon
