Narrative

We had originally signed a 3-year contract with Mediacom in July of 2015. We have received aid from USAC for the past few years. Our contract ran out in July, and we signed a new contract with Mediacom. We were told to fill out a 471 after the new contract was put together. This happened in July. We were unable to fill out a 471 without the new updated contract having yet been signed.

In addition, consistent with the Communications Act of 1934, FCC regulations and orders, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law, information provided in or submitted with this form or in response to subsequent inquiries may be disclosed to the public. If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.
