**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a very rural part of Virginia. A very small business local Broadband is the only company who offers internet services at a decent price where I live. Without this I wouldnt not be as nearly connected with friends and family as I am now, and wouldnt nearly have the luxuries that I do. Please take this and small town rural people like myself into consideration.

Thank you.
