

Dear FCC,

I'm part of the #WomensMarch movement.  
I'm from Berkeley, CA  
and I'm concerned about

Net Neutrality

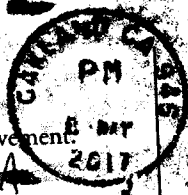

Here's why:

Free & open Internet is essential to a free democracy.  
Please resist attempts to weaken  
net neutrality protections and  
entrench Internet monopolies.

In the first 100 days of the new  
administration, I hope that you understand  
and take these concerns seriously.

"Restoring Internet Freedom"  
Sincerely, WC Docket No. 17-108

Please Uphold the  
Obama era rules  
regarding net neutrality.  
To do otherwise would  
be catastrophic for  
free expression & access  
online for American  
citizens. Literally no  
one but the corporations  
who would profit want  
them overturned. Respect  
the will of the people!
