Regarding

Reference # MAY 7 4 40 PM '88

Do not take Internet Service  
Providers out from under  
Title II oversight. Thank you.

Jane Imber

Lawrence, Kansas

I'd really rather that  
you not change the  
rules to Internet Neutrality  
and to Title II. It's

working fine and  
does not need to  
be changed.

Sincerely,

Linda Glavy  
West Chester, PA
