The USAC has denial my appeal of July 20, 2018. They requested proof that the narrative of form 470 was included in form 471.

I am attaching:

- USAC letter dated 7/18/2018
- 2016 Form 470 # 161018519
- 2016 Form 471 #161018519

Both forms were attached on my appeal letter.

- USAC Form 470 acknowledging certification from the landing page of USAC
- USAC acknowledging the received and reviewed Form 471 from landing page
- USAC e-mail I received today (8/16/2018) denying my appeal
- Revised Funding Commitment Decision Letter & Post Commit Request

I have NO idea of why the funding was denied since the narrative of Form 470 is included in Form 471 and Form 471 was Certify.

I will be most grateful for help in knowing what it is that USAC wants since I did complied with all the requirements.

Thank you,
