**Re: CenturyLink QC and Nunn Telephone Company Joint Petition for Waiver
of the Definition of "Study Area" Contained in Part 36, Appendix-Glossary
of the Commission's Rules; CC Docket No. 96-45**

Dear Ms. Dortch,

On August 15, 2017, Greg Grablander, Manager with Nunn Telephone Company and its consultants with Vantage Point Solutions - Doug Eidhal, Vice President of Regulatory and Legal Affairs, Lori Sherwood, Director of Broadband Development, and Chuck Bruckman, Senior Telecommunications Consultant, had a telephone conference call meeting with Victoria Goldberg, Ed Krachmer, Ted Burmeister, Joe Sorresso, Katie King, Richard Kwiatkowski, and Suzanne Yelen of the Federal Communications Commission.

During the meeting, we discussed two questions asked by FCC staff in relation to the above referenced petition. We first discussed the facts surrounding the request for petition and how the boundary change would impact USF funding. In addition, we also discussed the ARC for those new customers and how Nunn would treat this in the CAF ICC reporting. No written presentation was provided to the FCC.

Pursuant to Section 1.1206(b) of the Commission's rules, this letter is being filed electronically. Thank you. Please let us know if you have any questions.

Sincerely,

Lori Sherwood
Director of Broadband Development
