CC Docket 02-6

Good afternoon, Mr. Nadel.

It is my understanding that, in response to the appeal that was filed by my firm with the FCC on behalf of Omicron Technologies LLC, USAC has issued a commitment adjustment in response to funding year 2005 e-rate application 482177 / funding request 1334733, and will be attempting to recover the funds that were distributed to the school.

Based on this information, I believe Omicron Technologies' business with the Commission is complete and would therefore request our motion and petition be withdrawn as they are now moot.

Thank you for your hard work in this matter.
