WHY NET NEUTRALITY MUST BE PROTECTED

TO WHOM THIS MAY CONCERN:

Net Neutrality is the will of the public majority, and should always prevail over BIG GOVERNMENT AND BIG BUSINESS." Whenever Big Government / Business shall be found inadequate or contrary to "WE THE PEOPLE'S purpose. The majority of the community has an indubitable, unalienable and undefeasible right to reform(it)... in such manner as shall be the most conducive to the public weal."

Fundamental to free speech, Net Neutrality is likened to "THE FIRST AMENDMENT" of the Internet.

Net Neutrality is protection to small businesses and innovators just getting started.

Net Neutrality allows consumers, not big businesses, to chose what they watch and do online

Net Neutrality allows entrepreneur and small businesses to evolve into much needed jobs and earning a living the with the 'AMERICAN DREAM"

DO NOT STOP US AND WATCH THE AMERICAN DREAM COME TRUE AND MAKE AMERICA GREAT AGAIN
