

Greetings,

MOUNT NITTANY
MEDICAL CENTER

17-108

Received & Inspected

JUL 19 2017

Any attempt at rolling back
internet neutrality is absolutely
unacceptable, and will be resisted
strongly at every opportunity.

Large Corporations have hijacked
power throughout government, and
it's your job in this case to
keep them at bay. You have
90% of America on your side.
Keep Net Neutrality intact!!

Very Respectfully,

MTM
