FCC Mail Room

Dear Leadership at the FCC, including Mr. Pai:

I am disappointed by your moves to get rid of net neutrality. All websites are created equal. I favor net neutrality and support it completely, along with all of my friends and family. Internet is a public utility for all like water and electricity.

DOCKET FILE COPY ORIGINAL

Thank you for your time reading my letter. I am voicing my opinion and don't need a response.

Jennie Zhu
