To Whom It May Concern:

The Los Angeles Unified School District (District) is submitting this Request for Review in response to the Revised Funding Commitment Decision Letter dated June 24, 2018 for 471 171016879, FRN 1799032893.

Funding Year:	2017
Form 471 App Number:	171016879
FRN:	1799032893

### *Introduction*

The District respectfully requests a correction to the Revised Funding Commitment Decision Letter to fund 471 171016879, FRN 1799032893 (see attached Exhibit 1). The District maintains that the services requested are eligible and the reviewer made an error by denying the appeal for eligible Category One services.

## *Background*

As requested by the reviewer, the District provided all documentation that supports the pre-discount funding request amount of \$5,565,163.44. These documents include descriptions of the specific eligible voice services, vendor bills, and justifications for the estimated quantities and costs totaling \$5,565,163.44 for FRN 1799032893 (see attached Exhibits 2-8). Please note that Exhibit 8 was edited due to the FCC Electronic Comment Filing System (ECFS) limitations on file uploads.

The District maintains that inconsistencies in the review process led to the unfair denial of FRN 1799032893. Similar documentation was acceptable to support similar FRNs for similar services for the previous 15 years of the E-Rate Program, even as recently as Funding Year 2016. The District also believes that the services are eligible, as evidenced by funding commitments for the same services through Funding Year 2016 and Funding Year 2018. Please see attached Exhibit 9 documentation submitted for the same services requested in 2016 FRNs 1699107284, 1699107409, and 1699118621, and Exhibits 10-11 for 2018 FRN 1899023727.

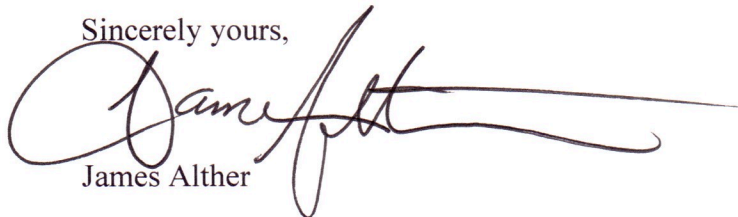

During the District's appeal to USAC, the District provided additional vendor documentation to support the funding request. Please see attached Exhibits 12-18 for the additional documentation.

## *Conclusion*

The District provided detailed supporting documentation for FRN1799032893. Based on acceptance of less-detailed backup documentation in 2016 FRNs 1699107284, 1699107409, and 1699118621 and 2018 FRN 1899023727 and additional supporting data for FRN1799032893, the District believes that the current SLD reviewers erred in denying Category One eligible voice services. The District requests the FCC to approve the appeal of eligible voice services.

The District respectfully requests a correction to the 471 171016879, FRN 1799032893 Revised Funding Commitment Decision Letter by funding FRN 1799032893. District staff is available to explain the documentation and to help clarify or answer questions. If you need additional information or further clarification, please do not hesitate to contact Christian Ramos at (213) 241-3969, or via email at [christian.ramos@lausd.net](mailto:christian.ramos@lausd.net).

Sincerely yours,

James Alther

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

## Next Steps

1. **File the FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if you have not already done so. Please review the CIPA requirements and file the form(s).

**BEN Name:** LOS ANGELES UNIFIED SCHOOL DISTRICT

**BEN:** 143454

**Post Commitment Wave:** 21

- o **If USAC approved funding on an FRN in your original FCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).
  - o **If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
2. **Invoice USAC**, if you or your service provider have not already done so. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying your bills in full.
- **If you (the applicant) are invoicing USAC:** You must pay your service provider(s) the full cost for the services you receive and file the FCC Form 472, the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
  - **If your service provider(s) is invoicing USAC:** The service provider(s) must provide services, bill the applicant for the non-discounted share, and file the FCC Form 474, the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, service providers must file an FCC Form 473, the Service Provider Annual Certification Form, to be able to submit invoices and to receive disbursements.
  - **To receive an invoice deadline extension, the applicant or service provider** must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

## How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

**Note:** The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the E-rate Productivity Center (EPC) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's website for additional information on submitting an appeal to USAC, including step-by-step instructions.
- **To request a waiver of the FCC's rules or appeal USAC's appeal decision**, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the Electronic Comment Filing System (ECFS). Include your contact information, a statement that your filing is a waiver request,

**BEN Name:** LOS ANGELES UNIFIED SCHOOL DISTRICT

**BEN:** 143454

**Post Commitment Wave:** 21

identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

## Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

## Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

<b>Revised Funding Commitment Decision Comments:</b>
--

<b>Post Commitment Rationale:</b>
-----------------------------------

USAC denied your funding request because you did not provided sufficient documentation needed to determine the eligibility of requested voice services under FRN 1799032893. Our records show that the vendor documentation you provided to support FRN 1799032893 appears to be essentially the same vendor documentation that you used and provided to support another FRN 1799032489 on this application. During appeal review, we provided you with an opportunity to provided the documentation that supports the FRN on appeal as well as vendor documentation that supports FRN 1799032489. Specifically, we requested you to provide the vendor documentation that supports both FRNs. We also mentioned that if it is the same vendor documentation that supports both FRNs, you must identify

**BEN Name:** LOS ANGELES UNIFIED SCHOOL DISTRICT

**BEN:** 143454

**Post Commitment Wave:** 21

from the vendor documentation and list the separate charges that support both FRNs. In your response, you provided the monthly bill with the same billing account number that you used to support FRN 1799032489. You identified and listed certain charges that support the monthly recurring unit costs and estimated quantities for the funding amounts requested in the line items under FRN 1799032893. In your response, you failed to address how the bill supports funding amount requested in two FRNs 1799032893 and 1799032489. The bill your provided does not support funding amounts requested in both FRNs 1799032893 and 1799032489. You have not demonstrated on appeal that USAC's determination was incorrect. Consequently, USAC denies your appeal.

## Eligibility of Products and Services

## Issue

USAC's Program Integrity Assurance (PIA) team is currently reviewing your FCC Form 471 application, and we have identified an issue that we need you to help us resolve.

## What is the issue?

On your form, your FRN Product and Service detail was not sufficient to determine if the requested amount for FRN 1799032893 can be supported. This is an issue because before we can proceed with processing your form, we must validate the eligibility of your request.

Please read all of the questions, descriptions, and requests below. Please give enough detail, insight, and clarity to help the reviewers fully understand your specific situation.

Check the boxes for statements that apply, and where applicable, type the information requested into the text boxes. If your information is too detailed for the text box, or if you need to provide additional documentation, click "Browse" to upload relevant files or documentation.

## Question(s)

1. Please provide vendor documentation which supports the funding request amount of \$395,008.28 Amount Requested Recurring Charges

Note: Any vendor documentation (e.g. contracts, vendor quotes, vendor bills, invoices, etc.) provided should clearly identify any ineligible charges that were cost allocated out of your request. Also, please be sure to explain any discrepancies between the amount requested and amount supported.

**Please see attached sample bill for a 1MB. \$34.87 in monthly charges, fees, and related taxes are shown (\$25.80 + \$1.62 + \$6.14 + \$1.31). \$1.79 ineligible monthly charge for Non Published Listing was deducted. The adjusted unit eligible cost is \$33.08.**

**\$33.08 X 11,941 monthly quantity = \$395,008.28**

2. If you are requesting additional dollars to accommodate expected growth or increased usage, please provide any relevant documentation that you used when determining the estimate for expected growth or increased usage.

3. If you would like to provide any additional information about these issues that have not been addressed above:

Use the text box to type information, or upload additional documentation using the "Browse" button.

R1. Please provide documentation from the service provider showing the amount \$395,008.28 per month or the quantities 11941 with the sample Monthly Recurring Unit Cost.

Please find attached a sample bill from the service provider. The bill does not provide a summary for charges based on each service type. The bill had to be imported into the District billing system to generate an Excel file with summary reports.

The attached summary report for the 1MBs is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 11,941 1MBs at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached.

## Eligibility of Products and Services

## Issue

USAC's Program Integrity Assurance (PIA) team is currently reviewing your FCC Form 471 application, and we have identified an issue that we need you to help us resolve.

What is the issue?

On your form, your FRN Product and Service detail was not sufficient to determine if the requested amount for FRN 1799032893 .001-005 can be supported. This is an issue because before we can proceed with processing your form, we must validate the eligibility of your request.

Please read all of the questions, descriptions, and requests below. Please give enough detail, insight, and clarity to help the reviewers fully understand your specific situation.

Check the boxes for statements that apply, and where applicable, type the information requested into the text boxes. If your information is too detailed for the text box, or if you need to provide additional documentation, click "Browse" to upload relevant files or documentation.

## Question(s)

1. Please provide vendor documentation which supports the funding request amount of \$466,902.02 Amount Requested Recurring Charges.

Note: Any vendor documentation (e.g. contracts, vendor quotes, vendor bills, invoices, etc.) provided should clearly identify any ineligible charges that were cost allocated out of your request. Also, please be sure to explain any discrepancies between the amount requested and amount supported.

**Please see attached.**

**Zippped file "vendor 1MB 3" is for line item .001.**

**Zippped file "SAL4WIRE" is for line item .003.**

**Zippped file "supertrunk reduction" is for line item .004.**

Please find attached a sample bill from the service provider. The bill does not provide a summary for charges based on each service type. The bill had to be imported into the District billing system to generate an Excel file with summary reports.

The attached summary report "Centrex PIA" for the line item .002 Centrex service is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 1,853 Centrex at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached. Please refer to the "SAMPLE CENTREX" bill for the unit cost of \$29.88.

The attached summary report "Trunk Lines PIA" for the line item .005 Trunk Lines service is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 326 Trunk Lines at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached. Please refer to the "SAMPLE trunk line" bill for the unit cost of \$29.95.

## Eligibility of Products and Services

## Issue

USAC's Program Integrity Assurance (PIA) team is currently reviewing your FCC Form 471 application, and we have identified an issue that we need you to help us resolve.

What is the issue?

On your form, your FRN Product and Service detail was not sufficient to determine if the requested amount for FRN 1799032893 .001-005 can be supported. This is an issue because before we can proceed with processing your form, we must validate the eligibility of your request.

Please read all of the questions, descriptions, and requests below. Please give enough detail, insight, and clarity to help the reviewers fully understand your specific situation.

Check the boxes for statements that apply, and where applicable, type the information requested into the text boxes. If your information is too detailed for the text box, or if you need to provide additional documentation, click "Browse" to upload relevant files or documentation.

## Question(s)

1. Please provide vendor documentation which supports the funding request amount of \$466,902.02 Amount Requested Recurring Charges.

Note: Any vendor documentation (e.g. contracts, vendor quotes, vendor bills, invoices, etc.) provided should clearly identify any ineligible charges that were cost allocated out of your request. Also, please be sure to explain any discrepancies between the amount requested and amount supported.

**Please see attached.**

**Zip file "vendor 1MB 3" is for line item .001.**

**Zip file "SAL4WIRE" is for line item .003.**

**Zip file "supertrunk reduction" is for line item .004.**

Please find attached a sample bill from the service provider. The bill does not provide a summary for charges based on each service type. The bill had to be imported into the District billing system to generate an Excel file with summary reports.

The attached summary report "Centrex PIA" for the line item .002 Centrex service is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 1,853 Centrex at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached. Please refer to the "SAMPLE CENTREX" bill for the unit cost of \$29.88.

The attached summary report "Trunk Lines PIA" for the line item .005 Trunk Lines service is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 326 Trunk Lines at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached. Please refer to the "SAMPLE trunk line" bill for the unit cost of \$29.95.

2. If you are requesting additional dollars to accommodate expected growth or increased usage, please provide any relevant documentation that you used when determining the estimate for expected growth or increased usage.

3. If you would like to provide any additional information about these issues that have not been addressed above:

Use the text box to type information, or upload additional documentation using the "Browse" button.

## Eligibility of Products and Services

## Issue

We intend to modify FRN 1799032893.004 to change the pre-commitment funding request amount from \$6,361.24 per month to \$2,020.46 per month. Per vendor documentation provided: Account Number 3237356267 (\$52.26 + \$599.65 + \$31.4 + \$147.36), 2137441986 (\$8.71 + \$119.93 + \$31.44 + \$147.36), 2137454796 (\$17.42 + \$119.93 + \$31.44 + \$147.36) and 8187277669 (\$26.13 + \$359.79 + \$32.88 + \$147.36).

If you disagree with our determination and you have alternative information, please provide third party documentation to support your position (e.g. vendor bill, contract, service agreement, etc.). If you would like to provide any additional explanation to support your position, type your explanation and attach the explanation and/or documentation into your response by using the Add Document button. If you agree with the proposed action, click the "Submit" button to clear this item from your Pending Inquiries.

**The District disagrees with the reduction to FRN 1799032893.004 from the pre-commitment funding request amount of \$6,361.24 per month to \$2,020.46 per month.**

**Please find attached a summary excel file that provides detailed breakdowns of the cost per invoice. The invoices and supplemental "Taxes Details" have also been provided for reference.**

**Based on the sample invoices and the cost breakdown, FRN 1799032893.004 should be reduced from the pre-commitment funding request amount of \$6,361.24 per month to \$3,222.85 per month.**

## Eligibility of Products and Services

## Issue

USAC's Program Integrity Assurance (PIA) team is currently reviewing your FCC Form 471 application, and we have identified an issue that we need you to help us resolve.

What is the issue?

On your form, your FRN Product and Service detail was not sufficient to determine if the requested amount for FRN 1799032893 .001-005 can be supported. This is an issue because before we can proceed with processing your form, we must validate the eligibility of your request.

Please read all of the questions, descriptions, and requests below. Please give enough detail, insight, and clarity to help the reviewers fully understand your specific situation.

Check the boxes for statements that apply, and where applicable, type the information requested into the text boxes. If your information is too detailed for the text box, or if you need to provide additional documentation, click "Browse" to upload relevant files or documentation.

## Question(s)

1. Please provide vendor documentation which supports the funding request amount of \$466,902.02 Amount Requested Recurring Charges.

Note: Any vendor documentation (e.g. contracts, vendor quotes, vendor bills, invoices, etc.) provided should clearly identify any ineligible charges that were cost allocated out of your request. Also, please be sure to explain any discrepancies between the amount requested and amount supported.

**Please see attached.**

**Zip file "vendor 1MB 3" is for line item .001.**

**Zip file "SAL4WIRE" is for line item .003.**

**Zip file "supertrunk reduction" is for line item .004.**

Please find attached a sample bill from the service provider. The bill does not provide a summary for charges based on each service type. The bill had to be imported into the District billing system to generate an Excel file with summary reports.

The attached summary report "Centrex PIA" for the line item .002 Centrex service is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 1,853 Centrex at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached. Please refer to the "SAMPLE CENTREX" bill for the unit cost of \$29.88.

The attached summary report "Trunk Lines PIA" for the line item .005 Trunk Lines service is using data from the PDF invoice file 9548132. The summary shows that the District was utilizing 326 Trunk Lines at the time the application was filed. All of the account lines on the summary Excel file can be verified against the sample invoice attached. Please refer to the "SAMPLE trunk line" bill for the unit cost of \$29.95.

2. If you are requesting additional dollars to accommodate expected growth or increased usage, please provide any relevant documentation that you used when determining the estimate for expected growth or increased usage.

3. If you would like to provide any additional information about these issues that have not been addressed above:

Use the text box to type information, or upload additional documentation using the "Browse" button.

**RE: REQUEST FOR CORRECTION OF THE DENIED AMOUNT FOR 471 171016879 FRN 1799032893  
ON THE FUNDING COMMITMENT DECISION LETTER**

To Whom It May Concern:

The Los Angeles Unified School District (District) respectfully requests a correction to the “Funding Commitment Decision Letter” dated January 4, 2018 for 471 171016879, FRN 1799032893 (see attached Exhibit 1). The District believes that the reviewer made an error by denying eligible Category One services.

For FRN 1799032893, the funding request was denied for the reason, “Applicant has not provided sufficient documentation needed to determine the eligibility of the following item(s): Voice Local Phone Service Only.” The District disagrees. The District provided all documentation requested by the reviewer. The District provided requested descriptions of the specific eligible Voice services that were in the funding request. The District provided requested vendor bills and justifications for the estimated quantities and total estimated costs.

For line items 1799032893.001 and 1799032893.002, the District clarified that the specific services being requested were eligible 1MB and Centrex lines, respectively. Both 1MB and Centrex services are core voice products that have been eligible since the Program’s inception, albeit now with reduced discounts due to the voice phase-out. The District also provided a sample bill from the service provider which justified the quantity of lines that the District requested in the funding request. Due to the large size of the District and quantity of lines billed, the sample bill had 19,996 pages. The District provided summaries of the 1MB lines and Centrex lines on spreadsheets to assist the reviewer in verifying the quantity of lines that were in the sample bill. Please see attached vendor documents, summary reports, and additional clarification provided by the District during PIA for 1799032893.001 and 1799032893.002 (Exhibit 2 and 3).

For line item 1799032893.003, the District clarified that the specific services being requested were eligible SAL4WIRE lines. The District also provided two sample bills from the service provider that justified the quantity of three lines requested in the FRN along with a summary of the lines on a spreadsheet to assist the reviewer. Please see attached vendor documents, summary report, and additional clarification provided by the District during PIA for 1799032893.003 (Exhibit 4).

For line item 1799032893.004, the District clarified that the specific services being requested were eligible super trunk lines. The District also provided four sample bills from the service provider that justified the quantity of four lines requested in the FRN. The PIA reviewer, upon analyzing the documentation submitted, determined that the funding request should be reduced from \$6,361.24 per month to \$3,222.85 per month and the District agreed with the reduction. Please see attached vendor documents submitted by the District in responding to PIA for 1799032893.004, additional clarification provided, and the funding reduction proposed by the PIA reviewer and agreed to by the District (Exhibit 5).

For line item 1799032893.005, the District clarified that the specific services being requested were eligible trunk lines. The District also provided a sample bill from the service provider which justified the quantity of lines that the District requested in the funding request. Due to the large size of the District and quantity of lines billed, the sample bill had 19,996 pages. The District provided a summary of the trunk lines on a spreadsheet to assist the reviewer in

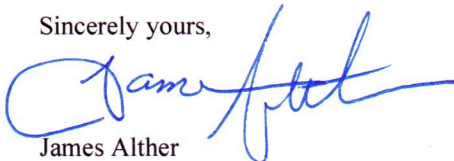

verifying the quantity of lines that were in the sample bill. Please see attached vendor documents, summary report, and additional clarification provided by the District during PIA for 1799032893.005 (Exhibit 6).

The entire funding commitment request should not have been denied based on the clarifications above.
