

Dear Chairman Pai,

I support net neutrality.  
Equal access to all legal  
content regardless of its  
source is essential to  
our freedom.

Thank you.

Dear FCC Members,

I'm part of the #WomensMarch movement.  
I'm from Nassau Co FL 32034  
and I'm concerned about

*Net Neutrality*

Here's why:

*Net Neutrality places low  
income communities, small  
businesses, libraries, schools &  
independent news outlets on  
a level playing ground.  
Reversal of the FCC 2015  
rules would be devastating to  
the above.*

In the first <sup>200</sup>~~100~~ days of the new  
administration, I hope that you understand  
and take these concerns seriously.

Sincerely, *Anne Showalter*
