

Dear

I'm part of the #Women's March movement
I'm from 93401
and I'm concerned about

Net Neutrality
Here's why:

DO NOT repeal net
neutrality. Do not
give telecom corporations
power over internet

In the first 100 days of the new
administration, I hope that you understand
and take these concerns seriously.

Sincerely,

access so they can extort
Americans.
