Re: "Letter of Opinion"

Articles for Caroline Education Community International Public School Academy,

Dear Members, Board of Trustees, Public School Academy:

As requested, I have reviewed the requirements of the Michigan Law to have Articles of Incorporation issued for a school in Michigan. The Michigan General Corporation Act, under MCL 450.171, requires every educational corporation, before being authorized to file its Articles of Incorporation, to obtain written approval from the Michigan Department of Education as to the adequacy of the proposed school. Certain requirements under the statute are 1) space; 2) educational programs; 3) teaching facilities; 4) staff and 5) certain capital requirements.

The Articles comprising the Education Corporation School charter cannot be issued unless approved by the Michigan Board of Education. Attached are copies of the original Articles. The name is stated in those Articles as Caroline Education Community International Public School Academy (CECI PSA) and the authorizing body for the corporation is the Bay Mills Community College Board of Trustees.

In order for these documents to have been filed, the CECI PSA would have had to be considered a school using the criteria above. In relationship to all the requirements of MCL

450.171, CECI PSA does meet the requirements of the statute to be classified as an educational corporation; Elementary and Secondary School.

Respectfully,

A handwritten signature in black ink, appearing to read "Kevin M. Bannon". The signature is fluid and cursive, with the first name "Kevin" and last name "Bannon" clearly distinguishable.

WHEREAS, over the last decade, the primary funding responsibility for Caroline Education Community International Public elementary/secondary schools is organized consistent with laws of the state of Michigan, and

WHEREAS, new mechanisms, including School Report Cards, the Michigan Education Assessment Program (MEAP) or an assessment instrument developed under section 1279 for a state-endorsed high school diploma, and admission policy and criteria that comply with section 504, have been created to hold school leaders, professional educators, school districts and schools accountable for the focus on and achievement of state-imposed standards; and

ARTICLE XV**ADMISSION POLICY AND CRITERIA
CAROLINE EDUCATION COMMUNITY INTERNATIONAL**

K-12 student population at CAROLINE EDUCATION COMMUNITY INTERNATIONAL SCHOOL SYSTEM is expected to increase. As the numbers increase, so do the issues concerning how to respond to this group.

It is speculated the reason for the increased number of students who are under the age of 18 is that there will be two segments of this group. One segment of students are currently attending K-12 schools: Middle high, Senior high, or Adult school. The other segment of those students are not attending K-12 schools.

Currently Attending K-12 Schools

- Students enrolled in grades K -12, high school and adult school, must submit an application for admissions, and the CECI college application for admissions by a student in grades K-12.
 - Items 1 and 2 must submitted together.
 - A parent or a guardian must sign item 2.
 - Item 2 needs the "school information" section completed only if the student is requesting high school credit from a K-12 school.
 - In addition, K-8, middle-school and below must submit a copy of their transcript or the most recent grade report, and a letter of recommendation from the student's school (on letterhead stationary) describing how the student will benefit from instruction at CECI.

Remember that 9-12 students are limited to 12 units per semester.

Under 18 and Not Attending K-12 Schools

1. Advise students of the following:
 1. CECI has high school diploma program requirements.
 2. All classes taken at the College are for college credit only. In order to get high school credit, students must enroll in a K-12 program where counselors can evaluate high school transcripts and advise students of classes to take at the College.
 3. Students must submit a written request for a copy of their transcript, and submit transcripts to their high schools to receive high school credit.

Students may enroll in GED preparation classes through the Continuing Education Center at CECI.

*Students who are under 18 but at least 16 may register for classes for admission by the K-12 school without completing the college application, with the approval of an Admissions and Records supervisor.

MATRICULATION PROCESS

AGE AND GRADE RANGE OF PUPILS ENROLLED:

A child must be *five years old on or before September 30* of the upcoming school year to enroll in kindergarten.

A. The following guidelines are required for enrolling a student in a CECI public school academy:

1. A certified birth certificate is required of any student being admitted for the first time to any public school in Michigan.
2. The student must be accompanied by a parent or legal guardian and must submit proof of address when registering at a new school.
3. A student must present a social security number upon enrollment.
4. No student shall be admitted for the first time to any kindergarten or elementary school in a Michigan school division unless the student furnishes a copy of a comprehensive physical examination from a qualified licensed physician or licensed nurse practitioner, performed no earlier than twelve months prior to the date the student first enters kindergarten or elementary school. When such a physical is performed for first-time entry to kindergarten, using the forms provided by school, a hemoglobin or hematocrit and a urine analysis **MUST** be completed and documented on the form, along with screenings for vision, hearing, and blood lead levels.
5. If transferring from another school, school division, or from out of state, a copy of such an examination must be in the previous school's record and available upon request. The need for a physical examination does not apply to pupils entering secondary schools, although this report is often very beneficial.
6. Michigan law requires proof of immunizations for all students entering a public school. Month, day, and year of immunizations must be reflected. Kindergartners, entering school for the first time, must have immunizations verified on standardized form provided by school. This form is available at all school offices.

B. Immunization required of children prior to enrollment as a CECI Public School Academy Student.

1. **DPT** - A minimum of three doses, with at least one dose administered after the child's fourth birthday.
2. **POLIO** - A minimum of three doses, with at least one dose administered after the student's fourth birthday. If four (or more) have been administered before the fourth birthday, no more are required for school entry.
3. **MEASLES**
Rubella
A minimum of one dose administered at age 12 months or older, usually in combination with rubeola and mumps - MMR.
Rubeola (Measles)
Two doses of rubeola vaccine are required for all students enrolled in kindergarten through grade 12. The first dose must have been at age 12 months or older; the second dose no sooner than one month after the first dose.
4. **MUMPS** - A minimum of one dose administered at age 12 months or older.
5. **HEPATITIS B** - The series of three vaccines is required of all students born on or after January 1, 1994. As of July 1, 2001, the Hepatitis B series is also required of all students eligible for sixth grade - **prior to entry**. In 2004-2005, the Hepatitis B vaccine is required for all students, K-9.
6. **VARICELLA (Chicken Pox)**
This vaccine is required of all students born on or after January 1, 1997 and must have been administered after 12 months of age, unless the medical history and lab tests are officially documented.

A student whose immunizations are incomplete may be admitted conditionally, if the student provides documentary proof at the time of enrollment of having received at least one dose of the required immunization(s) accompanied by a schedule for completion of the remaining required dosage(s). At the time of enrollment, ALL immunizations must be as current and as up-to-date as possible. Enrollment and attendance can be delayed if compliance with immunization requirements is not met.

C. Routine immunizations for children are provided free of charge through the Michigan Department of Public Health.

D. School physicals and Immunizations are offered by appointment only through Physicians Services. Please have medical records, immunization records, military ID cards, and the standardized health form with you. This form is available at all school offices.
