RE: WC Docket No. 18-380; RENEWAL of SECTION 63.63 APPLICATION of AT&T

Dear Ms. Dortch:

AT&T Services, Inc. on behalf of its affiliates AT&T Corp., BellSouth Long Distance, Inc., BellSouth Telecommunications, LLC, SBC Long Distance, and Teleport Communications America, LLC, collectively referenced herein as "AT&T", collectively referenced herein as "AT&T" filed a Section 63.63 application in the above-referenced docket on December 11, 2018 seeking emergency authorization under Section 214(a) of the Communications Act, as amended ("the Act"), 47 U.S.C. § 214, to suspend AT&T's wireline interstate telecommunications services after Hurricane Michael caused significant damage to AT&T's facilities in 392 distribution areas in Florida.

AT&T files this update to inform the Commission that it has completed the restoration of its network in the areas affected by Hurricane Michael. As a result, AT&T no longer requires authorization pursuant to Section 63.63 to suspend its services in these areas.

Best regards,

A handwritten signature in black ink, appearing to read "Terri L. Hoskins", written over a horizontal line.

Terri L. Hoskins
